SAFETY RULES

This fitness equipment is designed for your enjoyment. For your safety, we ask that you follow the guidelines below:

- Children under 13 are not permitted to use this equipment.
- Parents/Guardians – To prevent injury, do not allow young children to use the equipment.
- Before use, remove helmets, drawstrings, and any accessories worn around the neck.
- Surfaces may be hot or slippery. Check before using the equipment.
- Climbing is only permitted where equipment is specifically designed for it.
- Any potential users with known adverse health conditions should refrain from using this equipment. Consult a physician before starting any physical fitness training program.
- Follow the instructions provided on each piece of equipment when performing exercises.
- During exercise, pay attention to how your body feels. If pain or discomfort occurs, **STOP THE EXERCISE IMMEDIATELY**.
- Resistance exercises should be performed slowly and with control through the full range of motion to avoid injury.
- Inspect equipment before each use. Do not use it if there are any loose parts, cracks, or damage.
- Keep a safe distance from moving parts and from others using the equipment.
- Do not attach straps, bands, or similar items to the equipment unless it is specifically designed for that purpose.
- No supervision is provided for the use of this equipment.

FITNESS ZONE

The fitness equipment is designed for your enjoyment. For your safety, we ask that you comply to the following:

1. You assume all risk and responsibility for the use of the exercise equipment at this facility.
2. Children under the age of 13 should stay away from this equipment.
3. Parents/Guardians: To avoid injuries, do not let your underage children use the equipment.
4. Remove any helmets, drawstrings, or accessories around the neck before using the equipment.
5. Be aware that there may be hot surfaces and/or surfacing before beginning.
6. Do not climb or allow climbing on equipment or structures unless that is its intended use.
7. Any potential users with known adverse health conditions should refrain from using this equipment. Consult a physician before starting any physical fitness training program.
8. Perform exercises according to instructions on each piece of equipment.
9. During exercise, pay attention to how your body feels. If pain or discomfort occurs, **STOP THE EXERCISE IMMEDIATELY.**
10. Perform resistance exercises according to instructions in a slow and controlled manner over the full range of motion. Performing the movements too quickly may result in an injury.
11. Before using the equipment, check for loose parts, breaks, cracks, or other conditions requiring attention. If any abnormalities are noticed, do not use the equipment.
12. Keep clear of moving parts and keep a safe distance from exercise equipment when in use by others.
13. Do not attach straps, bands or similar items to the equipment unless the intended use specifically allows it.
14. Supervision for the use of the equipment is not provided.
