FITNESS ZONE

The fitness equipment is designed for your enjoyment. For your safety, we ask that you comply to the following:

- You assume all risk and responsibility for the use of the exercise equipment at this facility.
- Children under the age of 13 should stay away from this equipment.
- Parents/Guardians: To avoid injuries, do not let your underage children use the equipment.
- Remove any helmets, drawstrings, or accessories around the neck before using the equipment.
- Be aware that there may be hot surfaces and/or surfacing before beginning.
- Do not climb or allow climbing on equipment or structures unless that is its intended use.
- Any potential users with known adverse health conditions should refrain from using this equipment. Consult a physician before starting any physical fitness training program.
- Perform exercises according to instructions on each piece of equipment.
- During exercise, pay attention to how your body feels. If pain or discomfort occurs, **STOP THE EXERCISE IMMEDIATELY.**
- Perform resistance exercises according to instructions in a slow and controlled manner over the full range of motion. Performing the movements too quickly may result in an injury.
- Before using the equipment, check for loose parts, breaks, cracks, or other conditions requiring attention. If any abnormalities are noticed, do not use the equipment.
- Keep clear of moving parts and keep a safe distance from exercise equipment when in use by others.
- Do not attach straps, bands or similar items to the equipment unless the intended use specifically allows it.
- Supervision for the use of the equipment is not provided.
