FITNESS ZONE

The fitness equipment is designed for your enjoyment. For your safety, we ask that you comply to the following:

1. You assume all risk and responsibility for the use of the exercise equipment at this facility.
2. Children under the age of 13 should stay away from this equipment.
3. Parents/Guardians: To avoid injuries, do not let your underage children use the equipment.
4. Remove any helmets, drawstrings, or accessories around the neck before using the equipment.
5. Be aware that there may be hot surfaces and/or surfacing before beginning.
6. Do not climb or allow climbing on equipment or structures unless that is its intended use.
7. Any potential users with known adverse health conditions should refrain from using this equipment. Consult a physician before starting any physical fitness training program.
8. Perform exercises according to instructions on each piece of equipment.
9. During exercise, pay attention to how your body feels. If pain or discomfort occurs, **STOP THE EXERCISE IMMEDIATELY.**
10. Perform resistance exercises according to instructions in a slow and controlled manner over the full range of motion. Performing the movements too quickly may result in an injury.
11. Before using the equipment, check for loose parts, breaks, cracks, or other conditions requiring attention. If any abnormalities are noticed, do not use the equipment.
12. Keep clear of moving parts and keep a safe distance from exercise equipment when in use by others.
13. Do not attach straps, bands or similar items to the equipment unless the intended use specifically allows it.
14. Supervision for the use of the equipment is not provided.
